

LEATHERBACK SPORTS

Greeting, All!

To all of you who attended, thank you for joining us in our first Football Combine, capping off the 2026 Middle School Football season. Our goal is to have photos and official invites published from the combine by this Thursday, October 29.

In the meantime, please take a picture of your son's Athlete Testing Card and upload it. There is an upload link attached to the form at the website below. We also ask that you share feedback from your experience during the Combine, whether good or bad, because our commitment to growth and most importantly you (the football community in Memphis and surrounding areas) are our top priorities.

Some of you did not have a chance to register during registration, so there is a link connected to the website below. The payment provides membership to our upcoming events for the next 6-months, ending with a Spring Combine on April 24, 2027, at no additional charge for members.

We hope you join us for the Future Stars and All-Star Game on Nov. 7 at 3:00 pm and 4:30 pm. Saturday trainings will start soon, and our members can attend those for a discounted price of \$15 per session or \$20 a month for the next 6-months. Trainings will occur 2 Saturday's out of the month. Spots will be filled on a first come first serve basis and other sessions may be offered on the same day if the demand is moderate.

Follow us on Instagram to stay up to speed on all things Leatherback, for this is our primary feed.

Thanks for your support and your constructive words of improvement in advance. The Leatherback is known to have thick skin, so feel free to shoot us straight with feedback.
